

Lean Leadership

Duration: 1 day

In-Company training:

Smallpeice courses are all available in-company for cost effective group training. This provides the opportunity to customise the content and to include practical activities that are linked to your own processes and products.

Before training onsite we will discuss and scope your and provide a bespoke delivery plan and proposal for your review.

For more information on the options, please contact Smallpeice on +44 (0) 1926 336423 or email train@smallpeice.co.uk

Overview:

Leadership engagement is an essential ingredient for ensuring a successful deployment of Lean, by providing guidance and support as the business progresses through the improvement journey. This 1-day interactive workshop is focused on building the knowledge and understanding to help managers to successfully deploy Lean across all areas of the business, both in Manufacturing and Support functions.

Objectives:

- Understand the key components of a successful Lean deployment and discuss the steps required to achieve this
- Lead by example in the application of Lean Thinking to transform and continually improve ways working
- Be an active and visible supporter of lean improvement activity within the business
